HALAL QUALIFICATION

THE HALAL CATERING ARGENTINA, through her auditor, has inspected FRIGORIFICO RIOPLATENSE S.A.I.C.I.F.

We have visited the plant FRIGORIFICO RIOPLATENSE S.A.I.C.I.F., Establecimiento Oficial SENASA N° 1920, located at Avenida de los Constituyentes 2499 – General Pacheco - Provincia de Buenos Aires - República Argentina.

As consequence of the verification, we hereby certify that, the plant FRIGORIFICO RIOPLATENSE S.A.I.C.I.F. gathers the specifications to be qualified for slaughtering and production of Halal meats with Muslim slaughtermen, to be shipped to countries with Islamic population.

The present qualification is given for the lapse of time from September 22nd 2025 till September 21st 2026.

It's clearly stipulated that the present document only qualifies the facilities.

Furthermore, all slaughtering and production of Halal meats shipped to Islamic markets will need, to be traded, the issue of the Halal Certificate of Product. To issue the Halal Certificate of Product is a pre requisite that work is carried out by Muslim workers provided and approved by **THE HALAL CATERING ARGENTINA**.

Buenos Aires, September 19th 2025.
